

2007 IBR Leg 2 St Louis to St Louis

Riders, please remember that the Iron Butt is a Rally, not a race. You are put on notice that all bonus locations and in many cases local police departments and/or park police near bonus locations have been notified of our approximate arrival time in their area.

WARNING: DO NOT LEAVE THIS AREA UNTIL YOU HAVE VERIFIED THAT ALL PAPERWORK IS IN YOUR RALLY PACKAGE. THIS IS YOUR RESPONSIBILITY!

Ask Rallymaster if there are any changes or corrections.

Before leaving the checkpoint, make sure you can find each Bonus location and have a clear understanding of what is required to earn the bonus.

In order to be scored, you must present this bonus listing with score sheet and fuel log. You are free to tear apart and remove any pages that are not needed (for example, on page 10, you decide you will skip all the bonuses in South America, you may remove that page). However, if you lose a page from the bonus listing, you may not claim any bonuses on that page. If you lose the score sheet, it may be replaced at the next checkpoint but it will cause you to receive a 1,000-point penalty. If you lose a fuel log page, there is also a 1,000 point penalty to obtain a replacement

IMPORTANT CAUTION: The following Potential Bonus locations are like a restaurant menu. If you order everything on the menu and eat it, you are going to get sick and perhaps die. Please pick and choose bonus destinations carefully!

NOTE: All times are local!

REMEMBER: *Unless otherwise specified, I.D. Flags are required in all photos.*

When you are out there bonus hunting, *remember, the* bonus is not bagged until you complete the paperwork!

Checkpoint Information

The final checkpoint is Friday, August 31, 2007, 8 a.m. to 10 a.m.

Rally staff will be available at 4 a.m. for early check-in.

Time penalty begins 8:00:01 a.m. After 8:00:00 a.m. there will be a 100-point per minute penalty for being late. "Minutes" will be rounded up at one second past the key time. For example, 8:00:01 (one second past 8:00 a.m.) will be counted as 1 minute late. Any rider who arrives after 10 a.m. (10:00:01 a.m.) will not receive credit for making this checkpoint and will not be considered a finisher.
