

2011 Iron Butt Rally, The Finish  
Friday, July 1, 2011

Peter Behm has won the 2011 Iron Butt Rally. Peter pulled himself from 13<sup>th</sup> place at the end of leg 2 by completing the Four Corners Tour and scoring seven state capitals on the last leg. With a total of 24,428 points, Peter was just 319 points ahead of Eric Jewell, who finished in 2<sup>nd</sup> place with 24,109 points.

Jewell's second place finish involved a completely different strategy, concentrating on capitals and foregoing the Four Corners Tour.

## 2<sup>nd</sup> Place Finisher Eric Jewell at the Scoring Table

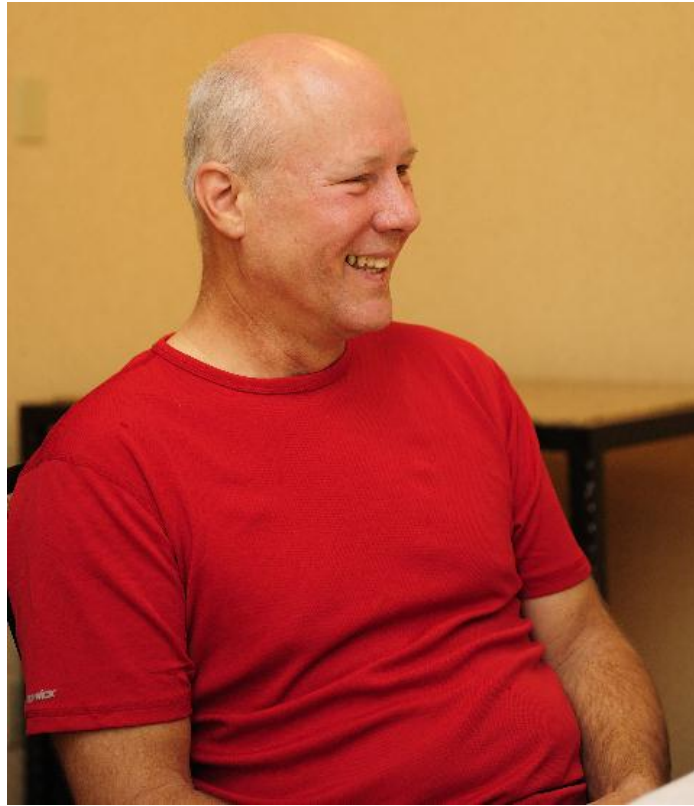

In 3<sup>rd</sup> place, 789 points behind Behm, was Jim Frens with 23,639 points. By coming in 71 minutes late, Jim incurred 1,420 penalty points. More memorable than his 3<sup>rd</sup> place finish will be the record he set for the greatest distance ever ridden during an Iron Butt Rally: 14,185 miles. Frens' route was unique in that he was the only rider to document Key West on leg 2, leaving him extra time for state capitals on the final leg.

4<sup>th</sup> place, with 23,476 points was Roger Sinclair, one of the three riders that included the state of Alaska. Unlike Dick Peek, the other finisher that scored Alaska, Sinclair concentrated on capitals instead of the Four Corners Tour and was able to score more points with that strategy.

In 5<sup>th</sup> place with 23,172 points was Curt Gran, who scored the Four Corners Tour plus lots of state capitals. Curt's 13,857 mile ride was the second longest in Iron Butt Rally history.
